- Offer ends on **15<sup>th</sup> May 2009**
- **Special discount** for other T-Plus products & services

"Frankly speaking, I'm falling in love with Timetabler Plus. :) The latest version is more users friendly. The time-table generation function has been improved. The slots allocated have a better spread. I have tested the time-table generation with 3 programmes, and the time-table is more usable."

Regards,  
Dr Christine Lee
